## **EXPLANATORY NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING**

### **Resolution 1**

The Directors are required by law to present to the meeting the Audited Accounts and Directors' Report for the year ended 31 March 2018.

### **Resolutions 2 – 6**

Each of the Company's Directors listed in this resolution was appointed by the Board after the last Annual General Meeting of the Company. Under the terms of the Company's articles of association any Director appointed as an additional director after the last Annual General Meeting must resign at the next Annual General Meeting and may offer himself or herself for re-appointment. Each of the Directors of the Company listed in these resolutions is offering himself for re-appointment.

### **Resolution 7**

Each of the Company's Directors listed in this resolution offer themselves up for re-appointment under the terms of the Company's articles of association which state that each director must offer himself or herself up for re-appointment every three years.

### **Resolution 8**

The Auditors are required to be re-appointed at each Annual General Meeting at which the Company's Audited Accounts are presented.

### **Resolution 9**

Under the Act, the Directors may only allot shares if authorised to do so. Whilst the current authority has not yet expired, it is customary to grant a new authority at each Annual General Meeting. Accordingly, this resolution will be proposed as an ordinary resolution to grant a new authority to allot or grant rights over up to £35,604.48 in nominal value of the Company's unissued share capital. If given, this authority will expire at the Company's next annual general meeting following the date of the resolution. Although the Directors currently have no present intention of exercising this authority, passing this resolution will allow the Directors flexibility to act in the best interests of the Company's shareholders when opportunities arise.

### **Resolution 10**

The Directors require additional authority from the Company's shareholders to allot shares where they propose to do so for cash and otherwise than to the Company's shareholders pro rata to their holdings. This resolution will give the Directors power to issue new ordinary shares for cash other than to the Company's shareholders on a pro rata basis

- (i) by way of a rights or similar issue or
- (ii) with a nominal value of up to £32,044.39. This resolution will be proposed as a special resolution.
